What is Hounslow Toy Library?

It is a place where children with disabilities or their parents/carers can borrow toys to take home. Children need a great variety of toys not only to play with but also to develop skills.

Who can use it?

It is open to all children with disabilities who live in the Borough of Hounslow or nearby. Parents/carers need to stay with their children at sessions.

What we offer?

A wide range of toys specially selected to help improve your child's skills and also for enjoyment, stimulation and fun.

The Practitioners are there to welcome you and your child, and they can help you choose the most suitable toys.

There are toys, books, DVDs and also a range of information on disability and national and local services.

You will have a chance to meet other parents/carers, and exchange ideas whilst your children play.

Why not come along and make new friends.
